NOTE: Within fourteen (14) days of obtaining the Board’s written approval of the installation of the electric vehicle charging system, the owner must provide the Board with a certificate of insurance from a company admitted to do business in Hawai’i, naming the Association as an additional insured on the apartment owner’s insurance policy. The certificate of insurance must show that the policy covers the electric vehicle charging system and their liability insurance limit shall be at least \$300,000.00 per claim. The owner and each successive owner shall at all times have and maintain a policy of insurance covering the obligations of the owner under the Association’s rules for installation of electric vehicle charging systems. The owner shall not less than annually provide the Board with a current certificate of insurance confirming that the policy is in effect. The certificate shall provide that the Association must be notified at least thirty (30) days prior to cancellation of the insurance. If the certificate of insurance does not provide such notice, the owner shall provide written notice to the Association within ten (10) days of the owner receiving such notice of cancellation from the owner’s insurance company or insurance agent/broker.
