\_\_\_\_\_

Requested date of anticipated installation (to be confirmed by AOAO electrician):

\_\_\_\_\_

Your Kahala Beach Apartments Homeowner Insurance policy carrier, policy number and effective date: \_\_\_\_\_

Your insurance agent's name, address and phone number:

\_\_\_\_\_

By signing below, I/we confirm that I/we will comply with the attached rules **and agree to use only the AOA licensed Electrician** for installation of necessary wiring and plug-in facilities in my locker (only providing a 120 volts ac, 20 amp outlet connection). There is a flat rate standard length installation charge of \$700.00 plus tax to the owner for connection to the Association's closest suitable power source. This rate includes installation of up to 70 ft. conduit, wires, breaker, supports, and receptacle. If required, longer wiring lengths cost an additional \$5.00 per linear foot plus tax. Any custom (non-standard) electrical items provided by the vehicle manufacturer or other sources, including power service plugs, adapters, boxes and other devices must be purchased by the owner.

Dated: \_\_\_\_\_

**Note: Within fourteen (14) days of obtaining the Board's written approval of the installation of the electric vehicle charging system and prior to actual installation, the owner must provide the Board with the certificate of insurance from a company permitted to do business in Hawai'i, naming the Association as an additional insured on the apartment owner's insurance policy.**

**The certificate of insurance must show that the policy covers the electric vehicle charging system and their liability insurance limit shall be at least \$300,000.00 per claim.**

**The owner and each successive owner shall at all times have and maintain a policy of insurance covering the obligations of the owner under the Association's rules for installation of electric vehicle charging systems.**

**The owner shall not less than annually provide the Board with a current certificate of insurance confirming that the policy is in effect.**

**The certificate shall provide that the association must be notified at least thirty (30) days prior to cancellation of the insurance. If the certificate of insurance does not provide such notice, the owner shall provide written notice to the association within ten (10) days of the owner receiving such notice of cancellation from the owner's insurance company or insurance agent/broker.**
